In Govt. Order No Rl. 3379-80/R.A. 105-40-1 dt 29. 3. 41, the purchase of 2 typewriters for use in the R.A. & L.C. office was sanctioned, the cost not exceeding Rs. 400 each. Subsequently it was ordered that both the typewriters to be purchased might be Remingtons. In communicating the G.O., to the S.P.C., two "noiseless" Remingtons were asked for. But in his letter No 29784 dt 1.4.41 the Secretary, S.P.C., stated that Noiseless typewriters cost more and enquired whether an extra amount of Rs. 80/- could be got sanctioned. This was sanctioned in G.O. No Rl. 6086-87/R.A.105-40-4 dt 9. 5. 41, and the S.P.C is taking action to get the machines supplied

But Noiseless typewriters, apart from being perhaps not so durable as ordinary Remingtons, do not yield 10 carbon copies which are required too frequently in this office. Besides, it is learnt that Noiseless carbon sheets are not supplied by the Govt. Stationery, so that if Noiseless typewriters are purchased, carbon sheets to match will have to be separately purchased, for which there is at present no provision.

NOTE—Contn. Sheet.

It is therefore a point for orders whether two Remington latest models "No 17" may not be purchased instead of Remington Noiseless. Incidentally, this

ORDER NO: RD 33 49 39/RA 105 39-1

Bangalore, dated 29th March 1941.

The work connected with the ensuing Budget Session of the Representative Assembly, which is scheduled to meet in June 1941 under the new constitution is very heavy in view of the fact that the preliminary meetings hitherto held at district headquarters for the selection of questions, resolutions and representations have been abolished and that all the work connected with the preparation of business of the Assembly devolves entirely on the Representative Assembly Office. In order to cope with this increased work, it is found necessary to strengthen the staff of the Representative Assembly and the Legislative Council Office and Government are therefore pleased to direct that the following additional staff be sanctioned temporarily for a period of six months with effect from 10th April 1941:-

(a) Four Kannada Reporters with a good knowledge of Kannada and Kannada reporting work on a salary of Rs. 40 each per mensem.

(b) Three English Reporters on a salary of Rs. 50 each per mensem.

The Kannada Reporter who takes check notes will be given an allowance of Rs. 10 per mensem.

The selection of these Reporters will be by a competitive examination, the details in regard to the holding of the examination and the selection of the successful candidates being arranged by the Secretary to Government, Law Department, in consultation with the Kannada Translator to Government.

Government are also pleased to sanction the purchase of two typewriters at a cost not exceeding Rs. 400 each for use in the Office of the Secretary, Representative Assembly and Legislative Council.

The total cost involved on account of the above proposals will be debited to the head "Lumpsum grant on account of Constitutional Reforms" under 12. General Administration, 3. Representative Assembly and Legislative Council, in the current year's budget.
